BEAMERS - INFO ON REQUEST

Please note that the same list of light equipment is mentioned below both halls, Grand Theatre is a theatre for makers and not always are all lights downstairs available. If these specifications are insufficient, or if further questions remain concerning rigging, sound or light, please take contact at least 4 weeks prior to the performance.

All equipment, with the exception of speakers and amplifiers, is suitable for both Downstairs and Upstairs Theatres.

GRAND

THEATRE

GRONINGEN

This leaves the possibility that not all equipment is permanently available per space, in particular around periods of 'montage' in the Upstairs Theatre, during periods when both theatres are in use.
If these specifications are insufficient, or if further questions remain concerning rigging, sound or light, please take contact at least 4 weeks prior to the performance.

Wifi/internet

Wireless internet available in the whole building
Network: Grand-Theatre
Password: *_Gr@nd1948_

Dressing rooms

2 dressing rooms (with own shower and toilet) for Grand Theatre Downstairs: located on the first and third floors of the building.
All dressing rooms are lockable, and equipped with tables, chairs, mirrors, relevant lighting options, electric sockets, a small fridge and a clothes rail.

2 dressing rooms for Grand Theatre Upstairs:
No apart toilets. One shower, sink, tables, chairs, mirrors, relevant lighting options, electric sockets.

Piano

The Grand Theatre does not possess its own piano/grand piano. In case of need we can arrange for hire given at least 4 weeks notice prior to the event.

Smoking Prohibited

Smoking is not permitted in the building.

Fire Safety

We are subject to strict fire regulations and control, in particular with regard to fire sensitive materials, smoke and/or fire effects. In case of usage, or doubt, please take immediate contact with the technical crew. The covering up of fire exit signs is not permitted.

Security

We apply regular security measures, any exceptions requiring discussion prior to the event.

PARKING, LOADING IN AND OUT

Please follow these instructions for the easiest route to arrive at the theatre.

The Grand Theatre is best accessed via the Oosterstraat.

Neem afslag #38 vanaf de A7 (Ringweg N7).
Volg de borden 'Centrum'.

Take Exit #38 from the A7 (Groningen Ring N7).
Follow the signs to the centre - 'Centrum'.
Once over the bridge immediately left towards 'Damsterdiep'.
At the end of the road (after another bridge) turn right towards 'Schuitendiep'.
Take the first turn off to the left.
You now arrive onto the 'Gedempte Kattendiep' (you will pass by the Casino).
Take the middle lane (marked for 'taxis/bussen').
Second turn off towards the 'Oosterstraat' (one way street).
At the end of the street you turn to the left into the main square 'Grote Markt'.
The Grand Theatre is immediately on the left as you come round the corner.

Loading and unloading is permitted from the pavement in front of the theatre **until 12 o'clock midday**.
If you want/need to load/unload **after 12.00 midday**, take prior contact with the theatre.
We will need to request a special permission, for that we do need license plates.
They can be sharp with fines.
Parking is NOT permitted on the main square – 'Grote Markt'.
We can advise about parking options.
